Navrachana International School Vadodara

NISV

FAQs

1. Why choose Navrachana International School?

An application-based, life related education reduces stress during your child's learning process. Flexible international curricula give your child the best of both worlds: international exposure within an Indian ethos.

International or Indian Boards to choose from.

Certification from the International Baccalaureate Organization (Geneva), Cambridge IGCSE (UK) and Central Board of Secondary Education (New Delhi) serves as your child's gateway to the world's premier universities.

A talented team of teachers facilitates cross-cultural learning for your child.

Student-centered methodology that empowers your child.

World class facilities and infrastructure create an ideal environment for learning, evolving and growing.

2. What makes Navrachana an International School?

Navrachana is international by virtue of its international curriculum, its international student body, faculty and its emphasis on cross-cultural understanding & homogeneity.

Pandit Nehru wrote - "There are barriers of religion, of caste, of colour, of party, of nation, of province, of language, of customs, and of rich and poor. Fortunately children do not know much about these barriers which separate. They play or work with each other, and it is only when they grow up that they begin to learn about these barriers from their elders".

At Navrachana we aim to ensure that the barriers are never erected.

3. How is NISV an Indian school?

Forty Five years of experience equips Navrachana Education Society with an amalgamated strength of the Indian Education System, and international models. NISV has the strength of this Indianness. Our students will strive to understand India, to value its rich cultural diversity, and to work for their protection and preservation.

- In specific terms, the following attributes of the school ensure that students learn to imbibe and appreciate the Indian ethos.
- There is a very strong emphasis on yoga and meditation in the lifestyle.
- Student life is modeled on community living and bonding - an integral part of Indian society.
- The curriculum - especially social studies include Indian history, geography and civics.
- Every student has the option of learning an additional Indian language.
- Every student has the option of learning Indian classical music and dance.
- Field trips and community service programmes bring the students close to life as it is lived in India.
- Indian and International festivals are celebrated in School and students are encouraged to take active part in these festivities.

4. How does NISV prepare 'the child' for life?

By developing literacy, numeracy, articulation, self confidence and leadership.

By teaching practical skills, which will be of value whenever s/he changes profession.

By encouraging students to think, to evaluate critically, but never cynically, the mass of information with which the world bombards them.

By emphasizing concern for others and for our planet.

By helping him/her to identify his/her own strengths.

5. What if my child isn't a self-directed learner?

Multiple-Intelligence and Project based Learning approach is designed to stimulate intellectual curiosity, enthusiasm, responsibility and self-discipline. It is a student-centred methodology with a high degree of teacher facilitation and direction. Small classes and a very favorable 'teacher-student' ratio ensures that no one can escape the attention s/he needs. Our Counselling Department can also help students to organize and enjoy their studies.

6. How will IB Diploma Programme prepare my child for university entrance?

The IB Diploma is accepted by universities and colleges all over the world including the UK, the USA and India. Many universities allow Diploma students to 'skip' the first year of the bachelor's degree program. There is a good reason for this: IB Diploma students arrive at college with more highly attuned thinking skills than graduates from other systems.

Trained, experienced counselors will advise on every stage of the college entrance process. Assistance for SAT and TOEFL preparation will also be available in the school.

TOEFL: www.toefl.org

7. What are the methods of assessment?

Navrachana employs two broad types of assessment, which are consistent with the IB / IGCSE / CBSE programmes

Summative Assessment: Measures the students' achievement according to clear criteria of knowledge and skills. Such assessments will include tests and examinations.

Formative Assessment: Encourages the students' individual development and sets attainable targets. At Navrachana we aim to instill confidence by incorporating effective study and preparation techniques.

FAQs

8. How many students are there in the school?

The current school strength is 850 with a teacher student ratio of 1 : 8

9. Who will teach my child at Navrachana?

Competent teachers who have requisite training and experience of teaching in the Indian and international systems of education. They regularly undergo in-service training provided by the International Baccalaureate Organisation, by Cambridge International Examinations and by Navrachana College of Education itself apart from other fora.

10. How are parents involved in the educational process?

The parent is informed regularly of the child's progress by electronic mail and through other channels of communication. The web-based student information system allows parents to track their child's progress. There are formal Parent conferences, frequent newsletters and ample scope for additional individual consultation as and when the need arises. Parents have the opportunity for involvement through the Navrachana 'Parents-Teachers Association'(PTA).

11. What are the dining provisions?

Navrachana International School will enroll students from all over India and abroad. Our menus feature Indian and International cuisines prepared in modern state-of-the-art kitchen and served in an ultra-hygienic dining hall. Expert dieticians calibrate students' nutritional needs.

12. Can the child be given special food on medical grounds?

Yes, on the doctors advice and at an extra cost.

13. How would you prevent outside food ?

By running a School canteen/mess. No outside food would be allowed into the School. The students will be allowed to buy eatables from School canteen only.

14. What medical facilities does the school provide?

There is a well-equipped campus infirmary with a doctor in attendance and qualified nurses on duty round the clock. Arrangements can be made for the rapid transfer of any student to a first class hospital for medical assistance, if required. The School has taken an insurance cover (student's safety policy) for its students (the School's liability is restricted to the limit of the Insurance Policy).

15. What are the safety and security features of the campus?

One of our highest priorities is the safety and well being of our students. All teachers, within and outside the classroom, and all hostel staff of boys and girls exercise the kind of supervision, which is normal in a caring family. A 24-hour professional security network controlled by a trained Duty Officer covers the campus. The suitability of all Navrachana employees for working with young people is carefully screened.

16. How will you prevent ragging etc. and maintain discipline?

Ragging is not permitted. Discipline is maintained in a firm but compassionate manner. This aims to help in building the right values and attitude.

17. What will the boarders do after school?

"After school life" for boarders is carefully structured and supervised. Besides supervised study, there are rostered inter mural activities.

18. After NISV what next?

After NISV...the world! Including good universities and colleges in India, the UK, the USA and elsewhere. The prestige and quality of our curriculum, together with our emphasis on hands-on learning, ensures that our students are trained to successfully attempt their board and competitive exams like SAT, TOFEL, CET, etc. The placement of graduating IB students in institutes of higher learning is the part of IB diploma programme. Our School counselors help to guide students' choices for the next stage of education and the world of work.

19. At what times of the year will the school accept students?

Student intake is maximum in November. However, students may be admitted at any point during the academic year depending on the availability of seats. The school year will commence in April for CBSE and July for IGCSE/IB. However, students will be able to join us at any point during the year provided that places are available. In their own interests, NISV is unable to admit students in Grades 10 and 12 i.e. in the middle of a two-year IGCSE or IB courses.
